The Williams Law Group is thrilled to announce that we have acquired the Law Office of Sara Sencer McArdle. With this acquisition, we are expanding our legal services and capabilities to better serve our clients. Contact us if you or someone you know is in need of criminal defense.

Free Family Law Education Class Child Custody

We will be holding a free, virtual, family law education class on Thursday, April 20th from 12:30pm-1:30pm. This month our topic addresses child custody and support. Space is limited and reservations are required. Call

908-810-1083 and ask for Jaime or
email: jaime@awilliamslawgroup.com

Congratulations, Elena!

Let's give a shout out to Elena on her amazing victory!

Elena successfully represented a client at a child support enforcement hearing and was effective in defending a client's rights and preventing a bench warrant for his arrest being issued, as well as, ensuring that the client maintained his driver's license. Elena argued that severe punishment, such as suspending the client's driver's license and/or issuing a warrant for his arrest, would only further prevent his ability to work and pay child support. Elena further advocated for her client and furthered his position that his unemployment was through no fault of his own, and filed an application for child support modification.

If you or someone you know is involved with a child support matter contact us today to schedule a consultation at 908-810-1083 and learn your rights!

Williams Law Group is a proud sponsor of United Way of Northern New Jersey Woman United

When it comes to a passionate and committed group that gets results, Women United delivers. By bringing together philanthropic women leaders, Women United is helping build a community where everyone can afford to save for an emergency, access health care, and give their children a quality, reliable early education. United, this dedicated group of changemakers strives for racial and financial equity for ALICE and families in poverty — those struggling to afford the basics. We accomplish this through signature fundraisers, volunteer projects, networking, and advocacy opportunities.

ALICE is an acronym for Asset Limited, Income Constrained, Employed, and represents the growing number of families who are unable to afford the basics of housing, food, child care, health care, technology, and transportation. These workers often struggle to keep their own households from financial ruin, while keeping our local economies running. For more information on how you can help, click the box below.
