Free Family Law Education Class Post Divorce and Motions

We will be holding a free, virtual, family law education class on Thursday, May 18th from 12:30pm-1:30pm. This month our topic addresses post judgment and filing motions.

Space is limited and reservations are required. Call 908-810-1083 and ask for Jaime or email: jaime@awilliamsllawgroup.com

Congratulations, Heejae!

Heejae was successful in filing a motion seeking reimbursement for college tuition payments made on behalf of the parties' daughter, as well as enforcing the other party's compliance with prior Court Orders. Despite the father's history of non-compliance with Court Orders, Heejae advocated on our client's behalf and obtained an Order compelling the father to timely pay his portion of the daughter's college tuition moving forward and secured payment for all outstanding tuition fees and reimbursement owed to our client. We're proud to have helped ensure that our client and her daughter received the financial support they were entitled to and to ease their

minds regarding the daughter's future college expenses. If you or someone you know is involved in a child support matter, contact us today to schedule a consultation at 908-810-1083 and learn your rights!
